Letter No. B3.78-673/57 dated 25-3-1963 from the C.C.F.,

D.No. 2698/63.

X 15c/7

1) P.U.D. is for perusal. The CCF has subd., proposals regarding the grant of 5 acres of land in Kidu R.F., in favour of Sri. M.Shivarama Gowda and has stated that grant of lands inside the Reserve Forests results in honey combing of the forest area with private rights, rendering the protection of the surrounding forest area extremely difficult. In view this, the CCF is not in favour of the release in favour of the applicant. But the D.F.O., Mangalore South Division, has recommended the request of the applicant in view of the details given ~~in~~ by the D.F.O., which is at page 19 c/f.

2) In this connection, it can be stated that a general policy as to the grant of land in South Kanara District for purposes of Areca Cultivation is under consideration of Government and a reply from ~~af~~ the Government of Madras is still awaited.

3) Since the present request of the Applicant Sri.M.Shivarama Gowda is for grant of land for the purpose of Areca cultivation, we will have to wait till the decision of Government is taken (AFD 457 FAD 57)

For orders,

4) Shri M.Shivarama Gowda, B.A., L.T., Deputy Inspector of Schools, Mangalore Range, Mangalore, has applied for an additional area of 5 acres of land in Kidu Reserve Forest for reasons indicated in his petition. The C.C.F. has stated that the grant of land inside the reserved forest results in honey-combing

p.t.o.

of the forest areas which renders protection of surrounding forest areas extremely difficult. He has also referred to his earlier recommendations made in this behalf in the matter of revoking the policy laid down by the Madras Govt. for the grant of reserved forest lands for areca cultivation in South Kanara District and therefore he has added that the request of the applicant ~~may be~~ is referred to Government for orders. Regarding the revoking the policy of the Madras Government referred to by the C.C.F., a file is being worked out separately and related material is still being collected in this behalf for taking a decision in another file. It is therefore not necessary to wait the orders on that file ~~xx~~ and to ~~dispose of this~~ application may be disposed of on the existing policy of the Government in force. The report of the Divisional Forest Officer may kindly be perused. He is ~~not~~ in favour of granting this land to the applicant, ~~because the~~ An area of 5 acres was given to the applicant ~~him~~ in 1957 inside the Kidu R.F. itself. He had added that the petitioner has raised areca plantations in the above areas successfully observing all the departmental rules. In the area asked for by the applicant there ~~is~~ are only 25 trees of 1026 cft (standing volume) ~~are~~ ~~xxxxx xx xxxxxx~~ In fact the D.F.O. on the advice of the C.F. has put this for public ~~sale~~ auction after wide publication and it is learnt that Sri M.Shivarama Gowda - the applicant - is the highest bidder and his bid amount being Rs.580/-. The D.F.O. has ~~xxxxx~~ sought orders from the higher authorities for confirming this proposal and he has added that there is no objection to release this area.

5) From the petition of the applicant, it is seen that the area that is now cultivated by him is in the middle with plain fields in South and North. By this, he has stated that there is no shade for his garden from the South as required for areca especially in the Winter. Moreover, the applicant has stated that the garden has been damaged considerably by wild elephants

and bisons four times and if the plot now asked for by him is given, he can improve the trenches and compound walls alround with a little expenditure and protect his garden from wild animals and elephants. He has also reported that he is an agriculturist having a large family and therefore requests that his prayer may be sanctioned.

6) From the reports of the D.F.O. and the petitioner of the applicant, it is presumed that the area, if granted, would be useful to the applicant. But it is not clear whether by giving this, any difficulty will be experienced for the preservation of the forest. It seems, therefore necessary to take a decision in this case after the spot inspection by the Hon'ble Minister when he tours in this district. There appears to be no objection to grant this land in favour of the party unless it is detrimental to the preservation of the reserved forest area because the area that is already in his possession & enjoyment (5 acres) is within the Reserve forest itself.

Office of the Chief Conservator

Dated, 25 March 1963.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Sub:-Petition of Shri M.Shivarama Gowda for the grant of land on lease inside Kidu Reserved Forest of Uppinangady Range, for areca Plantation.

I enclose herewith a copy of letter No. ACT.3-149-1601/61-62 dated 13-2-1963 from the Conservator of Forests, Coorg Circle, Mercara along with its accompaniment on the above subject for perusal. In this connection it is pointed out that grant of lands inside the Reserved Forests results in honey combing of the Forest areas with private rights, rendering the protection of the surrounding forest areas extremely difficult. For these seasons Government have been addressed under this office letters of even No. dated 20-12-57 and 11-12-1959 (vide Government letter No. AFD 457FAD 57 dated 10-11-59) to revoke the policy laid down by the Madras Government for grant of Reserved Forest lands for Areca cultivation in South Kanara District, Orders of Government are still awaited. In the circumstances reported to Government under this office letters dated 20-12-57 and 11-12-1959, I am not in favour of granting the area to the applicant. Since the question of revoking the policy is pendding with Government, the matter is referred to Government for orders.

The enclosures may kindly be returned when done with.

Yours faithfully,

Chief Conservator of Forests.

I submit that the petitioner Sri M. Shivarama Gowda,B.A.L.T Deputy Inspector of Schools Mangalore Range has been granted 5 acres of Forest land inside Kidu Reserved Forest of Uppinangady Range for raising Areca plantation during 1957 Vide Chief Conservator of Forest's Ref.B.3.78-673/57 dated 17-7-1957 communicated in Coorg Circle Conservator's Ref.A3. 1649/57 dated 27.7.1957.
